Informal Consultation by Portland Harbour Authority on draft application for a Fisheries (Several) Order

Portland Harbour Authority invite interested parties to a drop-in session to find out more about our plans to apply to Defra for a fisheries order legally known as a Several Order. Several Orders are granted for setting up or improving private shellfisheries and in this case will relate to crustaceans and molluscs. In securing the Order the harbour authority's policy is one of *"being supportive of improving the cultivation/ management of the fishery but in doing so it must be mindful of the activities of the harbour's existing users and the environment."*

The application is in draft form and will be of interest to all users of Portland Harbour Authority's jurisdiction both inside and outside the breakwaters. The session will take place at the Chesil Beach Centre on Portland Beach Road, Portland DT4 9XE on Tuesday 18<sup>th</sup> September. Please come and talk to us between the hours of 1500 and 1900 to find out more. We are inviting comments and feedback prior to submitting the formal application to government and would like to receive these by Tuesday 2nd October 2018. If you are unable to attend and would like to discuss this further please email [s.wilson@portland-port.co.uk](mailto:s.wilson@portland-port.co.uk) with your details so we can get in touch.

A copy of the draft application documentation is available to download below.

- Draft Order
- Draft Application and Management Plan
  - [see Admiralty Chart 2268 \(Annex A\)](#)
  - Draft Biosecurity Plan (Annex B)
  - Draft Aquaculture Opportunities High Level Review (Annex C)
  - Draft Nature Conservation Review (Annex D)

We will post updates to our the following page on our website: <http://www.portland-port.co.uk/jobs+and+consultations>

Admin: 13th Sep 2018 08:58:00

Notice placed on notice boards in key places to be seen by Weymouth and Portland Harbour Users in particular local fishermen for 1<sup>st</sup> informal consultation

## **Informal Consultation by Portland Harbour Authority on draft application for a Fisheries (Several) Order**

Portland Harbour Authority invite interested parties to a drop-in session to find out more about our plans to apply to Defra for a fisheries order legally known as a Several Order. Several Orders are granted for setting up or improving private shellfisheries and in this case will relate to shellfish. In securing the Order the harbour authority's policy is one of "*being supportive of improving the cultivation/management of the fishery but in doing so it must be mindful of the activities of the harbour's existing users and the environment.*"

The application is in draft form and will be of interest to all users of Portland Harbour Authority's jurisdiction both inside and outside the breakwaters. The session will take place at the Chesil Beach Centre on Portland Beach Road, Portland DT4 9XE on Tuesday 18<sup>th</sup> September. Please come and talk to us between the hours of 1500 and 1900 to find out more. We are inviting comments and feedback prior to submitting the formal application to government and would like to receive these by Tuesday 2<sup>nd</sup> October 2018. **Consultations**

### 2nd Informal Consultation by Portland Harbour Authority on draft application for a Fisheries (Several) Order

Portland Harbour Authority invite interested parties to view the final draft application prior to submission to Defra in late March 2019.

An informal consultation commenced in September 2018 and documents were online to view until 14th March 2019. A drop-in session was also held in September 2018 to enable interested parties to find out more about our plans to apply to Defra for a fisheries order legally known as a Several Order.

Several Orders are granted for setting up or improving private shellfisheries and in this case will relate to crustaceans and molluscs. In securing the Order the harbour authority's policy is one of "being supportive of improving the cultivation/ management of the fishery but in doing so it must be mindful of the activities of the harbour's existing users and the environment."

The draft application has now been updated to take account of the feedback received and is available for final comment prior to formal submission. It will potentially be of interest to all users of Portland Harbour Authority's jurisdiction both inside and outside the breakwaters.

If you have any final comments or would like to discuss this further please email [s.wilson@portland-port.co.uk](mailto:s.wilson@portland-port.co.uk) with your details so we can get in touch or call 01305 824044

A copy of the draft application documentation is available to download below.

- Draft Order
- Draft Management Plan
  - see Admiralty Chart 2268 (Annex A)
  - Draft Biosecurity Plan (Annex B)
  - Draft Aquaculture Opportunities High Level Review (Annex C)
  - Draft Habitat Regulation Assessment and Tables (Annex D)
  - Draft Nature Conservation Review and Tables (Annex E)

We will continue to post updates on this page
