

Local Notice to Mariners

No 18/2020(T)

Floating Cable Deployment & Recovery Trials

Trial Dates 1st October 2020 to 31st December 2020

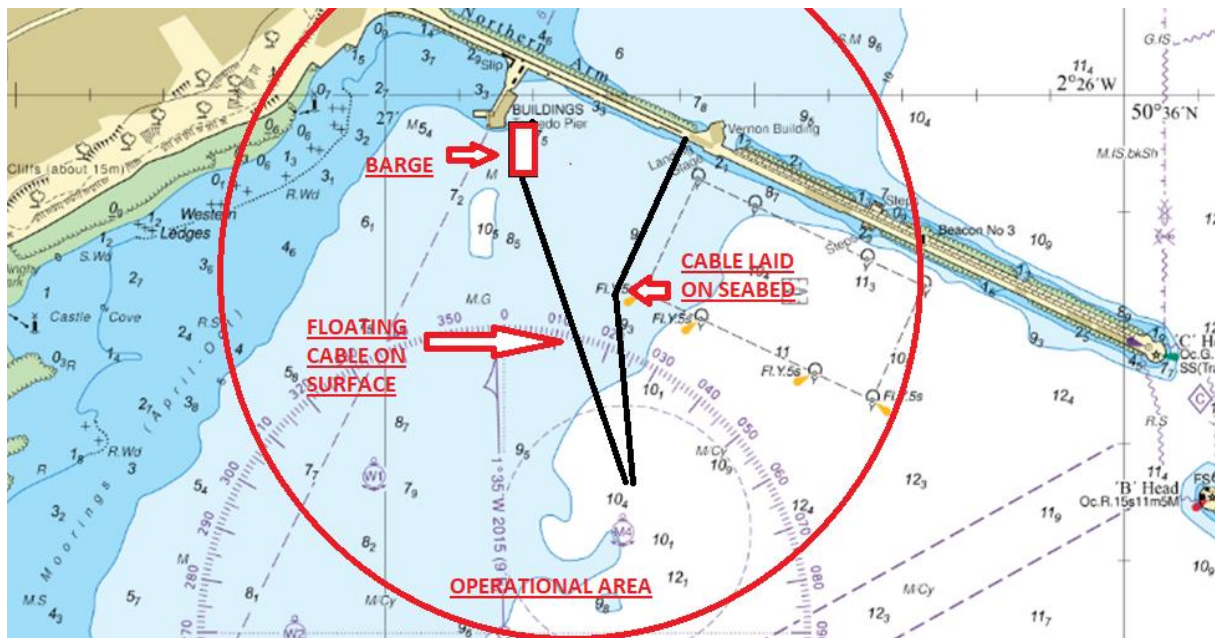

Trial Times Daylight Hours

Trial Location Within a 750m arc from Torpedo Pier (Position N50° 35.977 W002° 26.855)

Trial Vessel Large Barge moored near to Torpedo Pier

A tethered barge will be positioned on the Eastern side of the Torpedo Pier. This barge will simulate the after deck of a ship and will be equipped with a large cable and transducer deployment system. On a daily basis the system will be deployed in the area indicated in the attached chart. The deployed cable will be floating on the surface and will be a hazard to surface navigation. A safety RHIB will be patrolling throughout the period when the system is in the water.

Mariners are requested to give the area a wide berth during operations.

VHF channel 68 will be the working channel.

Mariners are requested to give this area a wide berth during operations.

This Notice is issued under the powers vested by the Portland Harbour Revision Order 1997.

Captain M Shipley
General Manager (Marine)
